## SWISS SOCIETY OF BOSTON

The Swiss Society of Boston was founded a century ago for the purpose of assisting fellow members and their families as well as needy Swiss immigrants. Today it is the largest Swiss organization in New England. While still true to its original purpose of offering aid and comfort whenever needed, it now endeavors to play an ever increasing role in binding together the members of the Swiss colony in Boston and their American friends. Not only has the Society assisted many needy compatriots and contributed to many worthy causes, it has also led to lasting friendships among its members who otherwise might not have met. All Swiss in the Greater Boston area, transient as well as permanent residents, can give expression of their affection for their land of birth by joining the Society, and Americans can express their friendship for Switzerland by doing so.

You are cordially invited to become a member of our organization.
